

Looking for urgent care when the clinic is closed?

Please call your clinic to connect with After Hours Care.

For emergencies, please call 9-1-1 or go to the nearest hospital

After Hours Care is for non-life threatening health concerns like:

- Fever above 38°C
- Rash, sores, wounds, minor burns, or insect bites

- Dizziness, or unusual headaches
- Stomach pain, nausea and vomiting, constipation, diarrhea

- Pain while urinating or blood in your stool
- Chest or sinus congestion, cough, sore throat
- Ear pain, or issues hearing

When you call **After Hours Care**, a care team will assess your health concern and when appropriate, a family doctor will call you back. After Hours Care is available weekdays between 5:00 p.m. – 9:00 a.m. and 24-hours on weekends and holidays. No appointment needed.

After Hours Care does not provide routine prescription refills, sick notes, counselling or crisis care.

Need urgent mental health help?

Call 310-6789 (no area code)
KUU-US for Indigenous people at 1-800-588-8717
Kids Help Phone at 1-800-784-2433
(or text CONNECT to 686868)

Need a prescription refill?

Ask for an emergency refill from your pharmacist until you can connect with your family doctor/nurse practitioner.

After Hours Care is a program from Doctors of BC and HealthLink BC. The program provides care to patients when our clinic is closed evenings, nights, weekends, and holidays.
